

Bangalore dated 20th September 2014

CIRCULAR

SUBJECT: DISCUSSION ON THE SCOPE OF TECHNICAL SERVICE PROVIDER

NOTED FOR THE ENQUIRY PROCESS.

\*\*\*

Using the software provided by technical service provider in the enquiry process has already started. In view of this, the data submitted by the enquiry office in the enquiry process is being used for the enquiry process. The area of the property is being measured and compared with the area mentioned in the sale deed which is entered in the database of the enquiry process. In some cases, the area of the property is found to be less than the area mentioned in the sale deed. This is due to the fact that the area of the property is being measured using the software provided by the technical service provider. The area of the property is being measured using the software provided by the technical service provider. The area of the property is being measured using the software provided by the technical service provider.
